

## Summer 2024 SAILING

### Learn to sail in beautiful Tenants Harbor, Maine!

Beginners will be sailing during their first week and will learn knots, basic seamanship, and small boat handling. More advanced sailors will learn racing techniques and more, all in a fun and safe environment. No experience necessary, but sailors must know how to swim.

*Blueberry Cove Camp also offers all day and residential sessions that include learning to sail with St. George Sailing.*

*To sign up for these programs, go to [extension.umaine.edu/tanglewood](http://extension.umaine.edu/tanglewood)*

The **St. George Community Sailing Foundation** has been teaching the art of sailing in Tenants Harbor, Maine since 2001. Teaching is done by US Sailing Association Certified Instructors, many of whom started sailing as students with SGCSF.

The program operates from the grounds of our partner **Blueberry Cove Camp** on Harts Neck Road in Tenants Harbor. Sailing is done in ten RS Tera dinghies, four 420s, and two daysailers.

The St. George Community Sailing Foundation is a non-profit Maine corporation, holding 501(c)(3) status with the Internal Revenue Service.

**Consider making a tax-deductible donation to SGCSF to help keep our children on the water!**

**Private lessons available by request**
