

## Summer 2025 SAILING

### Learn to sail in beautiful Tenants Harbor, Maine!

Beginners will be sailing during their first week and will learn knots, basic seamanship, and small boat handling. More advanced sailors will learn racing techniques and more, all in a fun and safe environment. No experience necessary, but sailors must show they are comfortable in the water.

*Blueberry Cove Camp* also offers all day and residential sessions that include learning to sail with **St. George Sailing**.

To sign up for these programs, sign up via the **Blueberry Cove Camp** web site.

If you are interested in just sailing,  
please sign up at

# ST. GEORGE SAILING

## 2025

Teaching sailing to young  
people ages 9 to 18 in  
Tenants Harbor, Maine

207-372-8174  
[stgeorgesailing@gmail.com](mailto:stgeorgesailing@gmail.com)

[www.stgeorgesail.org](http://www.stgeorgesail.org)

The **St. George Community Sailing Foundation** has been teaching the art of sailing on Maine's St. George peninsula since 2001. **This year is our 25th season!** Teaching is done by US Sailing Association Certified Instructors, many of whom learned to sail with SGCSF.

The program operates from the grounds of our partner **Blueberry Cove Camp** on Harts Neck Road in Tenants Harbor. Sailing is done in ten RS Tera dinghies, five 420s, and two daysailers.

The St. George Community Sailing Foundation is a non-profit Maine corporation, holding 501(c)(3) status with the Internal Revenue Service.

**Consider making a tax-deductible donation to SGCSF by check or via PayPal to help keep our children on the water!**

**Private lessons available by request**
